NB Because of the Corona Virus situation the Club ceased to meet physically after March 12th 2020. However 'virtual' meetings were held online between March 19<sup>th</sup> 2020 and April 21<sup>st</sup> 2022.

In September 2022 meetings resumed in the (refurbished) bowling club. However these became 'hybrid' meetings with Zoom transmissions alongside the live meeting for those still wary of the COVID situation. The first season fully back in venue was 2023-24.
