No Colour Print Trophy at the Time

Notes : Monochrome trophy commenced in 1961. Prior to this the competition was for 'Print of the Year'.

The numbers at the foot of the columns for each of the 3 categories are xx yy (z) where xx is the total number of winning images; yy is the total already acquired for the archives and z the number whose existence is known and the author contacted but author either cannot find the image(s) or has not submitted the image(s) for the archives.

Author Contacted    Image Acquired for Archives    154 out of 190    Author Known to be Deceased    Unable to find a Contact

Unlikely ever to get as author (or contact) does not know, or have, or cannot find
