

## The Don McDougall Trophy Competition : The Early Years

Following Donny McDougall's death in 2005, his widow donated a trophy to the club to be competed for in his memory. Initially the trophy was used to replace the Jessops Award for a competition for images on a theme. The first McDougall Trophy competition was won in 2005-06 season by Tom Bernard and the theme was 'Humour' as this was deemed particularly appropriate to the memory of Donny.

This was the format for the next 3 years when the image competition was won by Eileen Sutherland, Peter Easton and Nancy MacArthur on a variety of themes. However in season 2009-10 it was decided to award the trophy for an Audio-Visual competition. The table below shows the entries and winners for this competition.
